AN INTRODUCTION TO SALTAI,

the trusted, forward-thinking supplier
shaping spaces across the U.S.

SALTAI, dedication drives innovation. Our ultralight MDF mouldings and premium pine products are responsibly sourced from South America and crafted with precision from high-quality Radiata pine. Through direct importation and rigorous quality control, we deliver Phase II CARB-compliant mouldings that set a higher standard for performance, consistency, and sustainability.

Our mouldings are engineered with exceptional ultra lightness and flexibility, allowing for easier handling and faster installation without compromising durability or design. This thoughtful balance of form and function provides distributors with a competitive, cost-effective solution trusted across the nation.

SALTAI maintains an extensive in-stock program featuring over 50 profiles and adding more each day, including baseboards, crown mouldings, casings, pine base shoes, and quarter rounds. As part of our continued growth, we are expanding our offering to include door jambs, door stoppers, and soon doors.

More than a supplier, SALTAI is a partner. We operate with transparency, reliability, and personalized service at the core of everything we do.
